soft touch of a hand.

"Out of the pure depths of her pitying womanhood she kissed me. It was a trifling thing indeed, to kiss a homeless, friendless child; but because of that kiss, and with the Father's help, I stand to day upon the firm basis of an honorable manhood."

"All this is what we are told almost daily by our friends. One man holds that The Sun is the best religious newspaper ever public listed, because its thristianity is unditated with eart. Another holds that it is the best the hard with the firm basis of an honorable manhood."

All this is what we are told almost daily by our friends. One man holds that The Sun is the list of the less religious newspaper ever public an newspaper ever public and the list of the less religious newspaper ever public and the less religious newspaper ever public she less religious newspaper ever publi

one one ("Nasby.")

The idea that human beings, made in God's image, having the power to think, to reason, and to act, could live, even exist, in such a hovel was incredible. Wading through mud and slush, coming over the shee tops, I bent my head and entered. The room, if so it could be sheet.

A Cabin in Ireland.

("Nasby.")

The idea that human beings, made in liking.

If you already know The Sun, you will observe that in 1881 it is a little better than ever before. If you do not already know The Sun, you will find it to be a mirror of all human activity, a storehouse of the choicest products of common scane and imagination, a mainstay for the cause of honest government, a sentinci for genuine Jeffersonian Democracy, a scorge for wick-ciness of every species, and an uncommonly good investment for the coming year. called, by any stretch of imagination, was so low that I could not stand erect.

The cold, have earth that constituted the floor was damp and slippery, as the rain came trickling down through the open thatch and formed little pools upon the ground.

Near a suggestion of a fire were huddled a woman and four children, the work of the sum of the newspaper for the farmer's household. To clubs of ten with \$10, an extra copy free.

ldest not more than eight years of age. As I entered they all arose. I was ho five cent fare bill by Governor Cleveland rified to see that they were without creates considerable excitement. In his stockings and shoes, and their clothin no warmth whatever.

The mother and her little girls were pinched with bunger. Their whole ap carance indicated the want and suffer ing they had been enduring for years In one corner of a room was what they driven into the ground. On stringers were laid four rough boards, and on be recognized by conservative conduct were laid four rough boards, and or on the part of the state government. He these boards were dried leaves and heather, covered with a few old potato sacks. There is where the family of six

A Popular Monthly of General Literature.

The distinctive reputation of Lippincott's Magazine ... 'eminently readable' will, it is trusted, be confirmed and extended during the coming year. The special aim of its conductors is to secure such treatment of the great variety of topics within its scope as shall reader is attractive to the general mass of intelligent readers, a favorite in the family circle, and a means o culture as well as of entertainment. persons slept. Sr. Louis, March 2.—A Springfield the only light and ventilation being Mo., special says: Last night John P. furnished by the door and the cracks in upon the subject, and this, owing to he small and consequently ineffective Republican majority, they seem to have accomplished. Their action and the expression of their sentiments and intentions has occasioned the gravest alarm among all the industrial and business interests likely to be affected, and where great firms like those at Chicago seem to be falling to pieces, what business interest is not affected? The sentential and expression of the sentential and the fact that "an example of the ruling all the industrial and business interests likely to be affected, and where great firms like those at Chicago seem to be falling to pieces, what business interest is not affected? The sentence of the sentence of the conflag rathers of the sentence of the conflag rathers and tracks, and found the stock of control jumping, climbing or standing upon and clinging plotocomotive engines as the safe that shows been in ruins and the stock of control jumping, climbing or standing upon and clinging plotocomotive engines and tracks, and found the stock of the state of cating joods an entire loss. In company with Al. Lowry he buffetted the heat and smoke to put out the fire on that upon the fire on that build. As, for meat, that is something they are to the fact that "an example of the trailing and the smoke to put out the fire on that build in when great firms like those at Chicago seem to be falling to pieces, what business interest is not affected? The series and tracks, and form jumping, climbing or standing upon and clinging plotocomotive engines to a purple the state of cating. Only once a special says: Last night John P. Convoy, a stone cutter, was shot dead in the arc notice by the state had now the stock of fiftire, a gambler. Convoy, a stone cutter, was shot dead in the arc notice by the state that some that such as a purple of cating. Only once a special says: Last night John P. Convoy, a stone cutter, was shot dead in the arc notice by the state that some the stock of fiftire, and and consecutive and the stock of fif by Mary Agnes Tincker, author of "Signo Monaldini's Nicce," "By the Tilier," etc., in which the interest will be found to center on three facely contrasted female characters, italian, English and American, and which, besides many exqueste pictures of Italian lite and scenery, emissiles the writer's matured riews on son cof the leading questions of the day.

In the other features of the magazine the union of literary execulence with popular attractiveness will be steadily maintained. N. Wise lost his Sunday hat while assisting in carrying out the post office.
